

JUNE 28, 2017 PUBLIC MEETING

Calling all Accotink Creek Watershed Residents:

Join the Virginia Department of Environmental Quality and partners as they work to improve water quality in the Accotink Creek Watershed: upper Accotink Creek, lower Accotink Creek and Long Branch. Come learn about the local water quality and the process to rehabilitate the waterway through a Total Maximum Daily Load (TMDL) at the public meeting on June 28th.

Input on the TMDL Draft Reports for Sediment and Chloride is encouraged. Copies of the draft reports are available at:

<http://www.deq.virginia.gov/Programs/Water/WaterQualityInformation/TMDLs/TMDL/TMDLDevelopment/DraftTMDLReports.aspx>

Public comments are being accepted June 21 – July 21.

Please send comments to William.Isenberg@deq.virginia.gov or Will Isenberg, DEQ, 629 East Main St., Richmond, VA 23219

**Learn about TMDLs
for Sediment and
Chlorides**

**Hear about the local
water quality**

**Ask questions and
provide comments**

**Find out how to
restore a watershed**
