

# 2017 Environmental Film Festival

October 24<sup>th</sup>, 1pm - 4:30pm  
October 25<sup>th</sup>, 9am - 1:30pm

All Films Shown  
Both Days

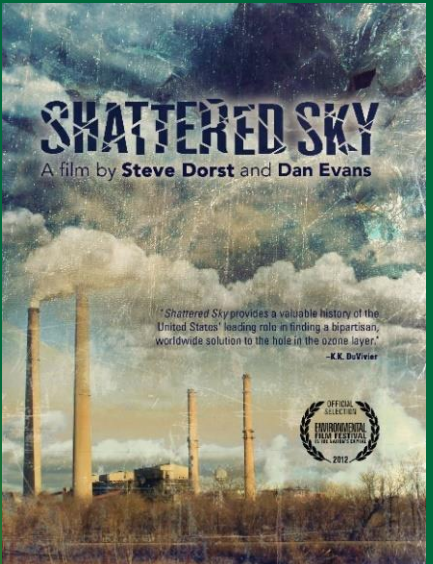

What does light, darkness, and the stars mean to us, spiritually, physically, intellectually, socially and economically?

John J. Audubon and The Birds of America  
The story of a rare man that influenced every generation of nature lover that came after him, from Thoreau to Teddy Roosevelt.

An investigation into the causes of songbird mass depletion and the compassionate people who are working to turn the tide.

How America led the world to a solution to the ozone crisis.
