

Fall Trash Action—October 26, 4-6 pm 1700 Diagonal Rd/King Street Metro, Alexandria

Get Trashy for the Environment this Halloween!

Northern Virginia Trash Action Work Force (TAWF) will hit the streets with our Trash Mob to

- Inform the public about single-use plastic litter (bottles, bags, styrofoam) poisoning our watershed.
- Encourage the use of reusables.
- Call out the International Bottled Water Association (IBWA) about the effects of their lobbying.
- Promote our message with trash-themed costumes:

Prizes for Trashiest Costume, Costume with Most Effective Messaging, Scariest Trash Monster

**TAWF's goal is to eliminate all plastic waste from our watersheds.
We have led cleanups for years, and it's time to address the issue at its source.**

Join us - we're stronger together!

Partners: Arlingtonians for a Clean Environment • Clean Water Action • Corporate Accountability International • Four Mile Run Conservatory Foundation • Friends of Accotink Creek • Friends of Dyke Marsh • Friends of Huntley Meadows • Friends of Lake Accotink Park • Friends of Little Hunting Creek • Potomac Riverkeepers Network • Sierra Club (Great Falls Group) • Sierra Club (Mt. Vernon Group) • 350 Fairfax
