

*Little Hunting Creek at Janna Lee Avenue bridge, Fairfax*

**Pease join us in protest and a call for action against water bottle litter.**

**When?** Monday, May 8, 7-10 am.

**Where?** International Bottled Water Association headquarters,  
1700 Diagonal Rd., Alexandria VA.

**What?** We will march peacefully and legally around the building, and engage and inspire the morning's commuters with creative signs, trash-themed costumes, and hand-outs. We will call on the IBWA to take meaningful actions to reduce water bottle litter in our watersheds.

**Who?**

Friends of Accotink Creek, Huntley Meadows, Lake Accotink Park, Little Hunting Creek, Sierra Club (Great Falls Group), Clean Fairfax, and YOU!

**Why?** We have been leading stream cleanups for many years. Despite hundreds of volunteers removing thousands of bags of trash from local streams over the years, it just keeps coming back.

Most of what we pick up is plastic water bottles.
