TREE PROTECTION AREA!

PUT THE BIKEWAY ON THE ROADWAY!

**It is not the burden of forests to fulfill
our transportation needs or to
compensate for our failure to plan for
streets fit for use by people**

NO CINDER BED BIKEWAY!

“to sun-dappled, pebble-filled rivulets
where raccoons track messages on the shores
while crayfish hide
and waterskeeters glide
and turtles slip
into song-filled crystal water -
Alive, alive, alive as we -
Alive, alive, alive always in me”
