Comments are worth it. Legislators, if they don't read them, at least see how many there are.

"SPEAK"

"Speak" is a useful forum for posting comments on bills considered by House of Delegates committees. These comments stay attached to the bill for legislators to see as it moves through the House and Senate.

For bills originating in the Senate and not yet crossed over to the House of Delegates, contact your legislator.

To comment on **"Speak"**:

- 1) Scroll down to find the appropriate committee.
- 2) Click on "View All Bills".
- 3) Using the scroll bar beside the bill names, locate your bill and click on square.
- 4) Click on the blue rectangle at the bottom of the page that says "Next". This click gets you to the comment form.

Click carefully and specify the number and subject of the bill in your comments when using **"Speak"**. Many commenters do not and it causes confusion.

If you've done this much, you may as well comment on some more bills.
